# DESK CONTAINER

**SECURE DOCUMENT COLLECTION AT THE DESK**

The new and nicely designed Desk Container will fit well into any office environment. It's not only a more attractive alternative to 24" and 27" consoles, it's also a lot more economical. With fully concealed hinges and a double lipped lid, the Desk Container seals tightly and securely. It opens a full 90°, and stays open for easy emptying; built in handles make it easy to lift. The lid locks automatically when shut for maximum security.
